

**PINK SUNDAY**  
OCTOBER 25, 2009

We are excited that you all are joining us in the fight against breast cancer! On **Sunday October 25, 2009** women around the Upstate are joining together in the celebration of Breast Cancer Awareness Month by participating in **PINK SUNDAY!** This year we have added a new **COMMITMENT CHALLENGE** to the Pink Sunday program.

**By signing this form, you are promising your friends, family, and fellow church members that you will get a mammogram this year.** If you provide your email address, Upstate SC Affiliate for Susan G. Komen for the Cure will provide you with updates about the fight against breast cancer. We will send you mammogram scheduling reminders, as well. When you sign up, you are also entering your name into a drawing for a prize! The church that has the most women take the **COMMITMENT CHALLENGE** will be recognized and will receive an award!
